Highlights

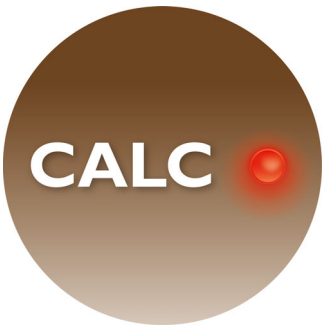
1 or 2 cups at the same time

This SENSEO coffeemaker prepares one or two cups of your delicious SENSEO® coffee in less than a minute.

Adjustable spout

By raising or lowering the spout you can adjust your SENSEO® coffee machine to the size of your favorite cup or mug.

Decalcification indicator



The Philips coffee machine will remind you when to descale your appliance. Regular descaling with the special developed SENSEO® descaler ensures the best taste of your coffee and prevents limescale from tap water.

Smart guided touch panel

Operate your Philips coffeemaker in a modern and intuitive way with the unique and smart guided touch panel. The LED indicators guide you through the different functions of your coffeemaker to make your coffee experience even more convenient.

Strength select function

Prepare your favorite cup of coffee by adjusting the strength and intensity of its taste. With the strength select function you can choose between strong short and mild long coffee.

Variety of blends and flavors

SENSEO® offers you a large variety of coffee blends and flavors, each with its own distinctive taste to fit your personal preference.

Stylish and expressive design

This year SENSEO® partnered up with the talented artist Kenzo Takada to design a limited edition of the favorite coffee machine of French people.
